

2023 IACC Mid-Year Conference

July 24-26, 2023
Hilton · Chicago, IL

COVID-19 safety protocols

Updated April 3, 2023

A safe and comfortable experience at the International Association of Commercial Collectors, Inc. (“IACC”) 2023 Mid-Year Conference (“Event”) is a top priority for IACC as we plan for your arrival in Chicago. The venue we are using is the Hilton Chicago (“Hotel”). We have prepared these COVID-19 Safety Protocols with the health, safety and enjoyment of attendees in mind.

These safety protocols are based on local, state and federal recommendations and mandates. However, given the evolving nature of the pandemic and changing local, state and national guidelines and requirements, safety protocols will naturally be fluid. IACC reserves the right to modify or update these safety protocols at any time so that they are appropriately tailored to the state of the COVID-19 pandemic, its attendant health and safety risks, and national, state, and local requirements and guidelines, during the dates of the event.

Please check back periodically so you are aware of the safety protocols you will be expected to follow while attending the event.

By registering for and/or attending the Event, you and anyone travelling with you agree to follow the safety protocols set in place by IACC, the Hotel, the City of Chicago, State of Illinois and the CDC, including those stated herein and onsite at the event. IACC and Hotel reserve the right to ask any attendee or guest to leave the event and/or Hotel premises at any time in the event of a suspected COVID-19 infection, exposure or symptoms.

ONSITE

Masks

- Mask protocol will follow local, State of Illinois and **CDC** guidance.
- Please bring your own masks if you elect to wear one. IACC will have disposable masks available if you need them.

Self-Screening and Personal Accountability Commitment

Attendees’ commitment to act responsibly with respect to their own health and the health of others at the Event will be critical to the success of the Event. In that regard, IACC expects all attendees and their guests to conduct daily self-screenings and to self-monitor for COVID-19 symptoms. **Please review the CDC list of symptoms** and **CDC Quarantine & Isolation protocols** before attending the Event.

If you are experiencing COVID-19 symptoms or test positive for COVID-19, or are exposed to someone who has COVID-19 symptoms or tested positive for COVID-19, during the Event, we ask that you please promptly notify an IACC staff member and excuse yourself from event activities. You may want to reference the **CDC Coronavirus Self Checker** at that time to obtain the CDC’s guidelines on staying away from others, testing and medical attention. IACC and Venues staff will work with you to determine whether and when it may be appropriate for you to return to event activities.
